28 November 2017

Dear Parents / Caregivers

We are excited that our school is going to be able to give our wonderful school production props another outing through our "Jungle Theme" school float, in the Bell Block Lions Christmas Parade, this Saturday December 2nd.

All children are welcome to join us. The parade starts and finishes in the school grounds. Each child will carry one of the props from "The Lion King". Please encourage your child to meet us at school outside the junior block at 4.30, ready for the parade to start at 5 pm.
